NACAA XXV - Bulletin 3
Call for Registrations and Nominations

Season's greetings to everyone, from the NACAA committees. We hope you are having a happy festive season and are looking forward to an exciting 2012 – comets, eclipses, transits, and the 25th NACAA.

Registrations for NACAA XXV are now open. The LOC have organised an excellent venue at the University of Queensland, and the programme promises to have lots of interesting events over the four days. The key events are locked in, and the rest of the programme will be scheduled in the next few weeks. Watch the NACAA web site for details as they emerge.

Registration costs will be lower than recent years, thanks to the support of the Physics Department at the University of Queensland, and our generous sponsors: Australian Sky & Telescope, the Australian Astronomical Observatory, the ANU/Mount Stromlo Observatory, the Binocular & Telescope Shop, Prominence Training, and the Sutherland Astronomical Society.

NACAA XXV promises to be the biggest and best NACAA in many years. Go to <http://nacaa.org.au/2012/register> to book your place. Please spread the word to friends and colleagues.

NACAA is also now accepting nominations for new members of the Secretariat. If you are interested in contributing to NACAA's future operations, please contact me or visit the NACAA web site for more details. The deadline for nominations is January 9th 2012.

Looking forward to seeing you all in Brisbane next Easter.

Yours sincerely,

Stephen Russell
NACAA General Secretary
